

Harriet Island/Downtown

LOCATION: The Harriet Island/Downtown area is the length of the Mississippi River from the High Bridge to the Lafayette Bridge. There are many roads and parking areas in the area. Paved trails run along sections of the north and south river bank. MAP #: 21

HABITAT: This area has open parkland along parts of the south shore, but most of the area is urban.

REGULAR BIRDS: The river gets many migratory waterfowl. It is a good place for mergansers and golden-eyes in the winter. Bald Eagles are common in the late winter. Peregrine Falcons nest in downtown and regularly hunt near the river.
